VEYNA DOORS QUALITY

The company VEYNA, in collaboration with his partners, have succeeded all the test for security doors RC2 with security glass of class P4. All our panels are given gratis to pass the tests in the research entities or other control bodies. Security doors RC2 or RC3 enrich our offer and give possibility to buy more solid doors in the producers. They still gard their news and interesting designs. **The tests were done for doors in alu.**

We offer 5 years warranty. The panels are produced with components from renowned european companies.
